WHAT: LANE CLOSURES

WHEN: MAY 18 THROUGH 22

WHERE: STATE ROUTE 18

San Bernardino Mountains - Caltrans will continue guardrail repair on State Route 18 (SR-18) next week, May 18 through 22 from 8:00 a.m. to 3:00 p.m. The work will take place between Lower Waterman Canyon and State Route 138 (SR-138). One outside lane will be closed during the work hours. This is a four-lane highway, so one lane will always be available to traffic in both directions. Caltrans will work uphill in the morning and downhill in the afternoon to avoid commuter traffic.

You may take SR-330 if possible to avoid delays, although they are expected to be minor.

The Department would like to thank the mountain communities for their patience and understanding during the work. For information on this or other roadwork projects, please go to www.caltrans8.info under "News and Documents".
